Charles Hider is seeking support for a National Fighting fund to support Mr Ken Turner in Tasmania. Mr Turner is currently in dispute with a neighbour regarding Mr. Turner's pigeons trespassing the neighbour's airspace. The local council is supporting the neighbour and is pressing to take the matter to court. Mr. Hider asked that all feds in Australia deposit \$300 each into a fighting fund. David Wetering reminded the

Delegates that as previously agreed, financial support for members' grievances with their neighbours regarding the keeping of pigeons will be the responsibility of the member. Some delegates indicated that they were willing to support Mr. Turner with their own private donations. A letter in response is to be sent to Mr Hider.
