The Minutes of the July Delegates Meeting were received on the motion of A Spiliopoulos  
2<sup>nd</sup> T. Brudenall **Carried**

### **Matters Arising**

#### **1. Notice of Motion Rule 80(a).**

To bring the cost in line with current day postage costs and by treating all rings the same whether VHA or not makes the job easier for the Ring Registrar and less confusing for Members. Moved H.Merbis 2<sup>nd</sup> A.Marcon **Carried**

## 2. Notice of Motion Rule 81.

Removes the 15 cent levy on old pigeons entered in Federation Races. It creates a small reduction on costs for flyers and also decreases the load on Secretaries on basket night.

Moved G.Charnley 2<sup>nd</sup> D.Lowe **Carried**

## 3. Notice of Motion Rule 8 Electronic Clock Rules.

The change in the rule will allow some flexibility in loft construction and installation of electronic pads whilst still maintaining full credibility of the rule. Whereas the previous rule required the electronic pad to be wholly within the loft, this change allows the pad to be not only wholly inside the loft but also partially inside the loft or against and touching an external wall of the loft. Moved A.Spiliopoulos 2<sup>nd</sup> K.Crawford **Carried**

4. Australian National Racing Pigeon Board: The ANRPB calling for a representative from Victoria. The Victorian Homing Association has nominated Graham Wark to be the Victorian representative

The Minutes were adopted on the motion of N.Stone 2<sup>nd</sup> J.Brislin **Carried**

## **Correspondence**

Temperature and Atmospheric Data Logger: Races 2, 3 and 4. Data interpreted by Bob Stukel. The information obtained showed that the temperature and atmospheric conditions in the transport units during transport and whilst stationary at the race point for these races was excellent.

## **Reports**

### Liberation Committee

Shepparton (2). Birds bought back 30 kilometres due to fog. Narrandera (1) had poor on the day returns and the birds were reluctant to leave the race point. No solid reason. Perhaps the 100% cloud at the race point had a greater effect than expected.

### Transport

Thank-you to Cranbourne Centre for their co-operation in using one less unit. Sam Spiliopoulos doing a terrific job with local transport. Our convoyer Cam Murrell also doing an excellent job. Special thanks to both

### Ring Registry

71 birds reported and owners notified.

## **General Business**

1. Tasmania Races: Both Tasmania Races are standard VHA Federation Races with Section prizes. The 1<sup>st</sup> Tasmania Races is part of the Upfront Fee. The 2<sup>nd</sup> Tasmania Races is a self-contained race with the transport cost coming from the entry fee.

2. The VHA Derby: Basketting on 11<sup>th</sup> August along with the Narrandera (3) race. It is a standard VHA Federation race with Fed and Section prizemoney. Entries are not part of the Upfront Fee. Note it is 30 bird limit with only yearlings wearing VHA, WPF, VPU and GMPF rings eligible to compete.

Meeting closed 8.30pm
