Stock Bird Fundraiser information sheet

Our club is holding an auction on Sunday the 25th of January, 2026 to try to raise funds for our club.

We're looking for donations of birds with pedigrees preferably.

The birds can be young or old.

Any flyers in South Australia please contact Tony Perkins as he has offered to organise birds for me and collecting them for me so I can pick them up on Sunday the 18th of January, 2026.

Any other flyers from anywhere else please message or email me on details listed as I may not answer unknown callers, just so that I know who is willing to donate birds for us and also with the pick up point that you will meet me at which are mentioned on the main flyer or if you would like to donate them from now until the mentioned dates please let me know so I can organise to pick them up.

Could you please get this out to your members to let them know which would be greatly appreciated.

Our auctioneer will be Tony McPherson who is a very well flyer, who we also would like to say thanks too for offering to do it.

We hope it will be a very successful day with the view to hold an auction on the Sunday of the Australia Day long weekend every January if this one goes OK.

Kind Regards
